EDUCATION

Ph.D. in Clinical Psychology (in progress)

University of New Mexico (Albuquerque, NM)

August 2022 – Present

Advisors: *Colin T. Mahoney, Ph.D. & Katie Witkiewitz, Ph.D.*

M.S. in Clinical Psychology

University of New Mexico (Albuquerque, NM)

July 2025

Master's Thesis: *Cultural Risk and Protective Factors Associated with Sexual Assault
Among Hispanic and Non-Hispanic White Women*

Advisor: *Elizabeth A. Yeater, Ph.D.*

B.A. in Psychological Science

University of California, Irvine (Irvine, CA)

June 2021

Summa cum laude, Deans honor list, GPA: 4.0

SCHOLARSHIPS/AWARDS/GRANTS

**Most Interdisciplinary Work,
University of New Mexico**

*Amount: \$100
April 2026*

**Student Research Grant, Graduate and
Professional Student Association**

*Amount: \$750
March 2026*

**ABCT 2025 Mary Jane Eimer Student
Convention Scholarship Award**

*Amount: Conference expenses
October 2025*

**Best Clinical Graduate Student Paper,
University of New Mexico**

*Amount: \$300
January 2025*

**Graduate Scholarship Fund,
University of New Mexico**

*Amount: \$1,000
January 2024*

Nueva Generación Scholarship

*Amount: \$1,000
January 2024*

**Grice Scholarship,
University of New Mexico**

*Amount: \$3,000
August 2022*

Undergraduate Research Opportunity Program, University of California, Irvine	<i>Amount: \$400 January 2021 & January 2022</i>
Chancellor's Excellence Scholarship, University of California, Irvine	<i>Amount: \$6,000 September 2019 – June 2021</i>
The Regents' Scholarship University of California, Irvine	<i>Amount: \$5,000 September 2019 – June 2021</i>
Bartlett Foundation Scholarship, Porterville Community College	<i>Amount: \$6,000 September 2019 – June 2021</i>
John Reid Memorial Transfer Scholarship, Porterville Community College	<i>Amount: \$4,000 September 2019 – June 2021</i>
Ruiz 4 Kids Scholarship Program, Porterville Community College	<i>Amount: \$1,000 August 2017 – January 2018</i>

RESEARCH EXPERIENCE

Trauma Research (TRL) Lab

Graduate Researcher

August 2022 – Present

Projects: Systematic Review: Male Sexual Assault, Examining the Daily Lives of College Women Through the Use of a Smartphone Application

PI: Dr. Elizabeth Yeater

- Define and screen studies based on inclusion and exclusion criteria
- Administer participant measures (e.g., AUDIT and PROMIS) to participants
- Clean and score EMA, EMI, and follow-up data
- Generate independent hypotheses, analyze data using SPSS, Mplus

Refugee and Immigrant Wellbeing Project (RIWP)

Research Assistant

June 2025 – Present

PI: Dr. Jessica Goodkind

- Code and analyze qualitative interviews in English and Spanish
- Analyze Quantitative data
- Develop community reports on research projects
- Generate independent hypotheses, analyze data using NVIVO, R, RedCap

Stress and Health: Mind-Body Pathways to Well-being and Resilience (MPWR) Lab

Research Assistant

March 2020 – May 2022

Project: Acculturative Stress and Health Meta-Analysis

PI: Dr. Ilona Yim

- Code weekly documents (journal articles, dissertations, manuscripts, etc.) into excel spreadsheets to be further analyzed
- Analyze statistical data presented in studies in various formats

The Health, Relationships, and InterVention (THRIVE) Lab

Study Manager

March 2021 – August 2021

Research Assistant

December 2020 – May 2022

Projects: Confía en mí, Confío en ti/LHA study, and SNOConfidence Study

Project: Cal Ed Data Project

PI: Dr. Jessica Borelli

- Coordinate group of 8 research assistants' availability and train research assistants to find data, input data, and write a literature review
- Transcribe and code English and Spanish interviews
- Assign each RA weekly tasks and monitor accuracy of tasks

- Generate independent hypotheses, analyze them using SPSS, and present findings to lab members

Culture Relationships and Health (CRH) Lab in the My Social Life Study (MSoL)

Research Assistant

March 2021 – May 2022

Project: My Social Life Study (MSoL)

PI: Dr. Belinda Campos

- Apply standardized protocol; place EKG sensors on skin, retrieve saliva samples, administer TSST (Trier, Social Stress Task), monitor video recording, and adhere to COVID protocols used for safe collection of human samples
- Use BioLab software to monitor EKG readings and flag significant times throughout participant sessions
- Clean data by creating syntax for self-report measures used in study
- Input and verify participant session responses were entered correctly into an excel dataset

Resilience, Epidemiology, and Community Health (REACH) Lab

Lead Research Assistant/Director of Training

October 2021 – May 2022

Research Assistant

April 2021 – September 2021

Project: Mindfulness-based Intervention to Address PTSD in Trauma-exposed, Homeless Women

PI: Dr. Dana Rose Garfin

- Conduct interviews on substance use and traumatic events with homeless women in shelter, and deliver follow up interviews in sober-living homes
- Assess homeless women for PTSD, depression, anxiety, social support symptoms
- Train in Mindfulness-based Stress Reduction Treatments
- Administer a stress task and collect saliva samples and urine drug tests
- Manage reimbursement process for lab supplies
- Conduct training sessions and fidelity checks on project protocol for other research assistants

CLINICAL EXPERIENCE

Raymond G. Murphy VA Medical Center, Albuquerque, New Mexico

Predoctoral Practicum Student

January 2025 – present

Supervisor: Madeleine Goodkind, Ph.D.

Duties: Conduct individual assessments, provide diagnoses, and treatment planning for veterans with mental illness.

Trenzitas de Amor Mental Health and Wellness Center Albuquerque, New Mexico

Predoctoral Practicum Student

January 2025 – May 2026

Supervisor: Elisa DeVargas, Ph.D.

Duties: Conduct bilingual individual assessments and psychotherapy in both family and individual formats for trauma therapy.

Anxiety Clinic

Therapist

August 2023 – May 2026

Supervisor: Elizabeth Yeater, Ph.D.

Duties: Conduct intake assessments and deliver empirically supported treatments for anxiety and trauma disorders

Clinical Psychology Ph.D. Program, University of New Mexico

Director of Clinical Training Assistant

August 2024 – May 2026

Supervisor: Elizabeth Yeater, Ph.D.

Duties: Assisting with APA and PCSAS accreditation requirements, scheduling training meetings, communicating policies to doctoral students, and managing outcome assessments

Increase Treatment Engagement for Adults Seeking Outpatient Addiction Treatment

Study Therapist

August 2024 – December 2025

Supervisor: Margo Hurlocker, Ph.D.

Duties: Conduct motivational interviewing at intake with participants as part of a randomized controlled trial

Alcohol Clinic

Therapist

January 2024 – December 2025

Supervisor: Megan Kirouac, Ph.D., Jane Smith, Ph.D. and Margo Hurlocker, Ph.D.

Duties: Conduct intake assessments and deliver empirically supported treatments for substance use disorders. Administer Brief Alcohol Screening and Intervention of College Students in a group format.

Healing Opioid Misuse and Pain through Engagement (HOPE) Enhanced Usual Care (EUC) Treatment Manual

Study Therapist

January 2023 – December 2025

Supervisor: Megan Kirouac, Ph.D.

Duties: Conduct enhanced usual care sessions (educational control condition) with participants as part of a randomized controlled trial

Diversity Clinic

Therapist

January 2023 – December 2024

Supervisors: Kamilla Venner, Ph.D., and Steven Verney, Ph.D.

Duties: Train to culturally adapt empirically supported treatments for mental health disorders. Deliver empirically supported treatments for substance use disorders

Inspira Behavior and Advocacy Specialists

Behavior Technician

October 2021 – March 2022

Duties: Provide skill acquisition and behavior treatments to children with behavior problems such as Autism, ADHD, and Down Syndrome. Utilize antecedent strategies such as positive/negative reinforcement to increase desired behaviors

Specialized Clinical Training

Clinician-Administered PTSD Scale for DSM-5 Revised (CAPS-5-R) 2026
Presenter: Michelle J. Bovin, Ph.D.

Motivational Interviewing (MI) 2024
Presenter: Margo Hurlocker, Ph.D.

Brief Alcohol Screening and Intervention of College Students (BASICS) 2024
Presenter: Jane Smith, Ph.D.

Mindfulness-Based Relapse Prevention 2024
Presenters: Sarah Bowen, Ph.D., and Katie Witkiewitz, Ph.D.

English Assessment Instrument Competencies

- Wechsler Adult Intelligence Scale (WAIS-IV)
- Wide Range Achievement Test (WRAT5)
- Delis Kaplan Executive Function System (D'KEFS)
- Repeatable Battery for the Assessment of Neuropsychological Status (RBANS)
- Wisconsin Card Sorting Test (WCST)
- Paced Auditory Serial Addition Test (PASAT)

Spanish Assessment Instrument Competencies

- Expressive One-Word Picture Vocabulary Test (EOWPVT-4)
- Receptive One-Word Picture Vocabulary Test (ROWPVT-4)

Teaching Experience

Instructor – University of New Mexico
PSYC 374 – Cross-Cultural Psychology *Summer 2025*

Invited Guest Lecturer – University of New Mexico
PSYC 332 – Psychopathology *Spring 2024*
Lecture title: An Introduction to Post-Traumatic Stress Disorder

Invited Guest Lecturer – University of New Mexico
PSYC 335L – Clinical Psychology Lab *Spring 2024, Spring 2025, Spring 2026*
Lecture title: Cultural Risk and Protective Factors Associated with Sexual Assault Among Hispanic and Non-Hispanic White Women

Graduate Teaching Assistant – University of New Mexico

PSYC 2110 – Social Psychology

Fall 2024

PSYC 374 – Cross-Cultural Psychology

Fall 2023, Fall 2024

PSYC 335L – Clinical Psychology Lab

Spring 2024

PSYC 2510 – Statistical Principles for Psychology

Fall 2023

PSYC 1110 – Introduction to Psychology

Fall 2022, Spring 2023
